

FIRST AID LEVEL – 3

The First Aid at Work e-learning course gives learners the opportunity to undertake online first-aid training and go on to achieve the level 3 award in first aid at work (RQF) or first aid at work at SCQF level 6.

This e-learning course can replace 1 day of the 3-day first aid at work (RQF) course or first aid at work at SCQF level 6 course that are run through recognised Highfield Qualifications centres. This e-learning also covers other practical areas of the course, such as CPR, so is great for reinforcing competency and refresher training.

 Areas Covered	 Who is it aimed at?
<p>Understanding the role and responsibilities of a first aider</p> <p>Assessing an incident</p> <p>Managing an unresponsive casualty</p> <p>Recognising and assisting a choking casualty</p> <p>Managing a casualty – external bleeding and shock</p> <p>Managing a casualty – minor injury</p> <p>Conducting a secondary survey</p> <p>Administering first aid to a casualty with injuries to their bones</p> <p>Administering first aid to a casualty with head and spinal injuries</p> <p>Administering first aid to a casualty with suspected chest injuries</p> <p>Administering first aid to a casualty with burns or eye injuries</p> <p>Administering first aid to a casualty with sudden poisoning or anaphylaxis</p> <p>Administering first aid to a casualty with a major illness</p>	<p>The course is ideal for any employee or manager who wishes to become an emergency first-aider in the workplace.</p>
	<p>Learners will receive a Highfield e-learning completion certificate, which is downloadable upon successfully finishing the course.</p>
	<p>Our e-learning is available to use on multiple platforms such as tablets, PC's and laptops. All you need is a good internet connection. Learners simply log on to the Ubiqube Learner Management System (LMS) and work their way through the course, along with the scenarios that provide them with real-life context.</p>

Why Choose Ubiqube Safety Consultancy E-learning?

We make the most complex of subjects easier to digest through media and content-rich exercises that motivate and engage learners. All our e-learning uses interactive exercises and gaming combined with media-rich content, interactive scenarios, and relevant photography and illustrations. Content is provided by industry-leading experts. What that means for your learners is stimulating and engaging content they will respond to and, most importantly, remember.
