

## SCPLH LEVEL – 6

Level 6 SCPLH e-learning course is designed for learners looking for an awareness of personal licensing, or who wish to go on to achieve the Scottish Certificate for Personal Licence Holders (SCQF) qualification. Achieving the qualification enables the learner to apply for a personal licence to sell alcohol whether they work in on-sales or off sales environments.

 <b>Areas Covered</b>	 <b>Who is it aimed at?</b>
<p>Licensing law                  Personal licences                  Premises licences                  The protection of children                  Powers and enforcement                  Temporary events                  Responsible alcohol retailing</p>	<p>Ideal for anyone who is looking to apply for a personal licence in Scotland or that requires refresher training.</p>
	<p>Learners will receive a Highfield e-learning completion certificate, which is downloadable upon successfully finishing the course.</p>
	<p>Our e-learning is available to use on multiple platforms such as tablets, PC's and laptops. All you need is a good internet connection. Learners simply log on to the Ubiqube Learner Management System (LMS) and work their way through the course, along with the scenarios that provide them with real-life context.</p>

### Why Choose Ubiqube Safety Consultancy E-learning?

We make the most complex of subjects easier to digest through media and content-rich exercises that motivate and engage learners. All our e-learning uses interactive exercises and gaming combined with media-rich content, interactive scenarios, and relevant photography and illustrations. Content is provided by industry-leading experts. What that means for your learners is stimulating and engaging content they will respond to and, most importantly, remember.
