

EMERGENCY FIRST AID LEVEL – 3

This course gives learners the opportunity to undertake online first-aid training and still go on to achieve the level 3 award in emergency first aid (RQF). The course can replace 3 hours of the 1-day emergency first aid at work (RQF) course or emergency first aid at work at SCQF level 6 course that are run through recognised Highfield Qualifications centres. This e-learning also covers other practical areas of the course, such as CPR, so is great for reinforcing competency and refresher training.

 Areas Covered	 Who is it aimed at?
Understanding the role and responsibilities of a first aider Assessing an incident Managing an unresponsive casualty Recognising and assisting a choke casualty Managing a casualty – external bleeding and shock Managing a casualty – minor injury	The course is ideal for any employee or manager who wishes to become an emergency first-aider in the workplace.
	▶ Learners will receive a Highfield e-learning completion certificate, which is downloadable upon successfully finishing the course.
	▶ Our e-learning is available to use on multiple platforms such as tablets, PC's and laptops. All you need is a good internet connection. Learners simply log on to the Ubiqye Learner Management System (LMS) and work their way through the course, along with the scenarios that provide them with real-life context.

Why Choose Ubiqye Safety Consultancy E-learning?

We make the most complex of subjects easier to digest through media and content-rich exercises that motivate and engage learners. All our e-learning uses interactive exercises and gaming combined with media-rich content, interactive scenarios, and relevant photography and illustrations. Content is provided by industry-leading experts. What that means for your learners is stimulating and engaging content they will respond to and, most importantly, remember.

Key Details
