

DISPLAY SCREEN EQUIPMENT (DSE)

This course is designed to ensure that users of DSE set up their workstations effectively and ergonomically, avoiding the health risks associated with their use. Learners undertaking this course will learn what DSE is, the health risks associated with its use, how to use DSE appropriately and the importance of correct posture and regular breaks. Finally, the course will outline the kind of support employers should provide for users of DSE at work.

 <p>Areas Covered</p>	 <p>Who is it aimed at?</p>
<p>What is DSE? DSE health risks Workstation design Correct working position for DSE Portable equipment Identifying risks and safe working practices Eye tests and eyewear Assessing DSE</p>	<p>Any employee or manager who works with display screen equipment, such as display screens, laptops, touchscreens and other similar devices. This course can be used as a stand-alone module or included in an induction programme. It may also be useful as part of the on-programme phase of the new apprenticeship standards, helping apprentices integrate into the workforce effectively and efficiently.</p>
	<p>Learners will receive a Highfield e-learning completion certificate, which is downloadable upon successfully finishing the course.</p>
	<p>Our e-learning is available to use on multiple platforms such as tablets, PC's and laptops. All you need is a good internet connection. Learners simply log on to the Ubiqube Learner Management System (LMS) and work their way through the course, along with the scenarios that provide them with real-life context.</p>

Why Choose Ubiqube Safety Consultancy E-learning?

We make the most complex of subjects easier to digest through media and content-rich exercises that motivate and engage learners. All our e-learning uses interactive exercises and gaming combined with media-rich content, interactive scenarios, and relevant photography and illustrations. Content is provided by industry-leading experts. What that means for your learners is stimulating and engaging content they will respond to and, most importantly, remember.

Key Details

Prerequisites: No prior Knowledge Needed

Assessment: Multiple Choice Questions

LMS: Yes

Compatibility: Laptop/ Desktop/ Tablet
