

## HEALTH & SAFETY LEVEL – 3

Designed to provide a wide-ranging level of knowledge around health and safety, this e-learning course covers health and safety law, the hazards present in a workplace and how to implement effective and necessary controls. At the end of the course learners will have the knowledge and skills to effectively supervise staff.

Comprising of 11 modules the course covers the key syllabus of level 3 health and safety qualifications and provides the knowledge a learner requires to go on to achieve a recognised qualification.
