

Communication Certificate

The Short Course in Communication is designed to help your organisation understand the importance of good communication. Learners on the course will learn what communication is, the different types of communication and the importance of context in communication. It will equip learners with the tools to identify barriers to communication and how to overcome them. Finally, learners will understand the importance of effective communication in the workplace and the potential consequences of ineffective communication.

 Areas Covered	 Who is it aimed at?
The communication cycles Communication in different contexts Types of communication Barriers to communication Inclusive communication Overcoming barriers to communication Effective communication in the workplace Consequences of ineffective communication	Ideal for all levels of employee within a business and as part of the induction process for new employees. The course is also ideal for use as part of the on-programme element of the new apprenticeship standards and can support the knowledge, skills and behaviours apprentices need to effectively integrate into the workplace.

	▶ Learners will receive a Highfield e-learning completion certificate, which is downloadable upon successfully finishing the course.
	▶ Our e-learning is available to use on multiple platforms such as tablets, PC's and laptops. All you need is a good internet connection. Learners simply log on to the Ubique Learner Management System (LMS) and work their way through the course, along with the scenarios that provide them with real-life context.

Why Choose Ubique Safety Consultancy E-learning?

We make the most complex of subjects easier to digest through media and content-rich exercises that motivate and engage learners. All our e-learning uses interactive exercises and gaming combined with media-rich content, interactive scenarios, and relevant photography and illustrations. Content is provided by industry-leading experts. What that means for your learners is stimulating and engaging content they will respond to and, most importantly, remember.
